Mr. Urso holds the esteemed title of Certified Business Appraiser (CBA), a distinction shared by **fewer than 400 professionals nationwide**, awarded by the Institute of Business Appraisers (IBA). With expertise spanning over 100 industries—from automotive aftermarket businesses to medical practices to restaurant franchises—Mr. Urso brings an exceptional breadth of valuation experience that is unmatched in the field. His outstanding mix of extensive academic training and 25 years of practical experience as both a business operator and licensed business broker in Florida enables him to deliver valuations that consistently withstand the most rigorous legal scrutiny.

Proven Track Record of Excellence

- Mr. Urso's valuations have been repeatedly affirmed by appellate courts, demonstrating the exceptional defensibility and legal robustness of his methodology and conclusions.
- As a Licensed Florida Business Broker, Mr. Urso has successfully facilitated over 80 company transactions. - His work has generated substantial value for clients, including a notable case where his analysis reduced a client's DOJ liability by \$700,000, with the opposing expert's \$1 million valuation ultimately settling at \$300,000.

National Recognition and Complex Case Expertise

- Sought after by prestigious law firms including Holland & Knight, Gunster, and Burr & Forman, Mr. Urso handles complex, high-stakes valuations from California to Florida to Canada, including pre-arbitration disputes in the entertainment industry and multi-entity business structures.
- His superior work quality consistently leads to successful resolution of complex engagements in the pre-mediation, mediation, or post-deposition stages, significantly reducing litigation costs for clients.
- He has expertly navigated diverse legal scenarios including bankruptcy (Chapter 7 and Chapter 11), divorce proceedings, partner disputes, Department of Justice cases, ESOPs, estate planning, ROBS IRAs, and business mergers and acquisitions.

Entrepreneurial Endeavors

- Salvatore is the visionary behind Florida Business Acquisitions and Ameri-Street Advisory, Inc., specializing in business brokerage and valuation services, respectively.
- His entrepreneurial journey includes co-founding family businesses and owning/operating a Tampa-based home health agency, Comfort Keepers.

Approach and Philosophy

- Salvatore strictly adheres to professional standards, including those set by the NACVA, AICPA's SSVS, and IRS Revenue Ruling 59-60, along with subsequent IRS rulings.
- Mr. Urso consistently maintains an objective stance in his professional endeavors, never serving as an advocate. He strictly bases his decisions and opinions on established standards and factual evidence.
